PROSPECTUS

Academic Session 2026 – 2027

FROM THE PRINCIPAL'S DESK

Principal's Message

[Principal's Name]
Principal, Shanti Niketan Public
School

Dear Parents and Young Learners,

It is my privilege to welcome you to Shanti Niketan Public School — a place where every child is encouraged to think freely, question respectfully, and grow into a confident, compassionate individual. Our name, drawn from the idea of a peaceful abode of learning, reflects what we believe education should be: calm, purposeful, and rooted in values.

We believe that true learning goes far beyond textbooks and examinations. It happens in the science laboratory where a hypothesis is tested, on the playing field where teamwork is learned, on the stage where a shy child finds their voice, and in the quiet corner of the library where curiosity is allowed to wander. Our teachers are trained not only to teach subjects but to understand children — their strengths, their struggles, and their potential.

Our vision for every student who walks through our gates is simple: that they leave us not only well-educated, but well-rounded — equipped with knowledge, guided by values, and ready to contribute meaningfully to the world around them.

I invite you to explore this prospectus and, better still, to visit our campus and meet our teachers and students. We look forward to partnering with you in your child's journey of learning and growth.

Warm regards,

[Principal's Name]

WHO WE ARE

About Shanti Niketan Public School

Shanti Niketan Public School is a co-educational day school offering education from Pre-Primary through Senior Secondary. Set on a spacious, tree-lined campus in [City, State], the school brings together modern teaching methods and timeless values to prepare children for both academic success and life beyond the classroom.

Our History

Founded in [Year] by [Founder's Name / Trust Name], the school began with a simple aim: to create a learning space as peaceful as it is purposeful. Over the years, it has grown from a handful of classrooms to a full-fledged institution with [X] students and [X] dedicated teachers, while holding on to its founding belief that a calm, caring environment brings out the best in every child.

Our Vision

To be a nurturing centre of learning that empowers every child to become a thoughtful, capable, and compassionate citizen of the world.

Our Mission

To deliver a balanced education that builds strong academic foundations, critical thinking, creativity, and character, in partnership with families and the wider community.

Our Core Values

Integrity

Honesty and fairness in everything we do.

Respect

Valuing every individual and their views.

Excellence

Striving for one's personal best, always.

Compassion

Kindness towards people and the planet.

Discipline

Self-control that enables real freedom.

Curiosity

A lifelong love of asking and learning.

THE SHANTI NIKETAN DIFFERENCE

Why Choose Shanti Niketan

Six commitments that shape everyday life on our campus.

**Quality Education**

A well-rounded, board-aligned curriculum built on strong fundamentals and real understanding, not rote learning.

**Experienced Teachers**

A qualified, caring faculty that mentors students individually and stays engaged with every learner's progress.

**Student-Focused Learning**

Small class interactions, activity-based lessons, and attention to each child's individual pace and style.

**Discipline with Care**

A structured, respectful environment that builds responsibility without ever losing warmth.

**Technology-Enabled Education**

Smart classrooms, digital learning tools, and computer literacy woven into everyday teaching.

**Safe, Green Campus**

A secure, tree-shaded campus designed for children to learn, play, and grow with complete peace of mind.

CURRICULUM

Academic Programme

Stage	Classes	Focus
Pre-Primary	Nursery – UKG	Play-based learning, motor skills, language readiness, and social development.
Primary	I – V	Foundational literacy and numeracy, activity-based learning, and habit building.
Middle School	VI – VIII	Concept-based learning across subjects, introduction to project work and inquiry.
Secondary	IX – X	Board-aligned rigorous study, career awareness, and skill-based electives.
Senior Secondary	XI – XII	Streams in Science, Commerce, and Humanities with subject specialisation.

Subjects & Learning Approach

Core subjects include Languages (English, Hindi and *[Regional/Third Language]*), Mathematics, Science, Social Science, and Computer Applications, supported by Art, Music, Physical Education, and Value Education at every stage. Our teaching approach blends:

Activity & inquiry-based learning that encourages students to explore and discover concepts.

Blended/digital learning using smart boards and curated digital content.

Continuous & comprehensive evaluation covering academics, life skills, and co-curriculars.

Individual mentoring with low student–teacher ratios and regular feedback.

INFRASTRUCTURE

Learning Facilities

Purpose-built spaces that turn ideas from the textbook into hands-on experience.

**Smart Classrooms**

Digital boards and curated content bring every lesson to life.

**Science Laboratories**

Well-equipped Physics, Chemistry and Biology labs for hands-on experiments.

**Computer Laboratory**

Modern systems for coding, digital literacy, and applied computer science.

**Library**

A wide collection of books, journals, and reference material for every age group.

**Mathematics Lab**

Models, puzzles, and manipulatives that make abstract concepts concrete.

**Playground**

Open grounds and courts for sports, athletics, and physical education classes.

Every facility on campus is designed and maintained with one goal in mind — giving students the room, the tools, and the encouragement to learn by doing.

INFRASTRUCTURE

Campus & Welfare Facilities

A safe, well-supported campus so parents can be confident and children can simply be children.

**Transport**

GPS-enabled buses covering major routes, with attendants on board.

**Safe Campus**

CCTV surveillance, secure gates, and trained staff across the premises.

**Clean Drinking Water**

RO-purified water available at multiple points across the campus.

**Medical & First Aid**

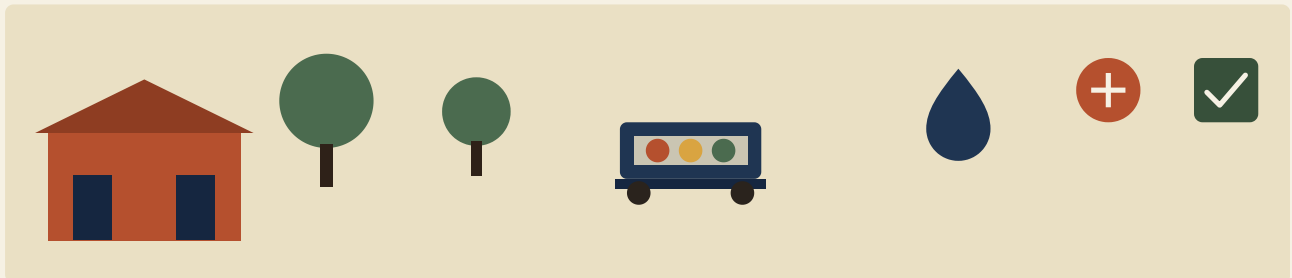

An on-campus health room with a trained attendant for prompt care.

**Green Campus**

Tree-lined walkways and gardens that keep the environment calm and fresh.

**Trained Support Staff**

Housekeeping and security personnel background-verified for safety.

BEYOND THE CLASSROOM

Co-Curricular Activities

We believe a well-rounded child needs a stage as much as a syllabus.

**Sports**

Athletics, football, basketball, cricket, and yoga.

**Music**

Vocal and instrumental training, choir, and orchestra.

**Dance**

Classical and contemporary forms for every age group.

**Art & Craft**

Painting, sculpture, and creative design workshops.

**Debate**

Public speaking, elocution, and Model UN chapters.

**Quiz**

Inter-house and inter-school quizzing competitions.

**Cultural Programmes**

Annual day, festivals, and inter-house celebrations.

**Clubs & Houses**

Eco club, literary club, and a four-house system.

**Field Trips**

Educational excursions and nature camps through the year.

GROWING THE WHOLE CHILD

Student Development

Five threads that run through every year a child spends with us.

1

**Communication Skills**

Structured speaking, listening, reading and writing practice, from show-and-tell in the early years to formal debate later on.

2

**Leadership**

House captaincies, student council, and class monitor roles that give every child a turn to lead and be responsible.

3

**Creativity**

Open-ended projects, art, design, and problem-solving tasks that reward original thinking, not just the right answer.

4

**Personality Development**

Confidence-building activities, grooming, and social etiquette woven into everyday school life.

5

**Moral Education**

Regular value-education classes and reflection circles that build empathy, honesty, and a sense of social responsibility.
